Experience

CoreTEQ Technology s.r.o.
Bánska Bystrica - Slovakia
1.8.2023 - 12.11.2024

- At CoreTeq Technology, I grew from Junior Backend Developer to Tech Lead, consulted with government personnel as a junior Analyst, and had a taste as a DevOps Engineer with a focus on business logic and security.

Cafe Milano s.r.o.
Bratislava - Slovakia
23.7.2021 - 31.10.2021

- At Café Milano, I worked as a Bartender and Barista, responsible for crafting cocktails, ensuring coffee quality, preparing syrups, and managing inventory, all while pursuing joy and ambition alongside my main role at Geco.

Geco s.r.o.
Bratislava - Slovakia
1.10.2020 - 30.4.2022

- At Geco, I began as a Salesman and advanced to Manager Assistant, focusing on sales growth, inventory management, and order fulfillment. Later, as a "Garant" I traveled between shops in different cities to train staff and optimize workflows.

Deichmann - obuv s.r.o.
Bratislava - Slovakia
14.10.2017 - 30.9.2020

- At Deichmann, I progressed from Salesman to Manager, overseeing product presentation, seasonal inventory, and personnel scheduling. As a Traveling Manager, I managed multiple shops in the absence of their managers. My role culminated as a New Shop Opening Specialist, leading teams to establish new stores in western Slovakia

Mondieu Laboratorie / UFO - Watch.taste.groove
Bratislava - Slovakia

- At Mondieu and UFO, I worked briefly as a Barista and Bartender, focusing on order fulfillment and inventory management while preparing to settle down with my family and pursue a new career direction.
